## TANGIBLE NET BENEFIT WORKSHEET

Licenses who charge loan origination fees, investigative fees, or points or any combination may not charge them in any refinancing of that loan or any additional loan, relating to the same property, within twenty-four months of the date of the original loan. However, if the refinancing results in a reasonable tangible net benefit to the borrower, considering all the circumstances, then the licensee may participate in a refinancing. **Each borrower must receive a copy of this form at or before the loan closing for such refinancing. The original of this form must be retained in the licensee's loan file for 3 years after date of the refinancing.**

The following worksheet **must be used** in the determination of a borrower's tangible net benefit as the benefit relates directly to the new loan extended. Additional information may be provided on supplemental sheets or on the reverse if the fields below are insufficient. Questions regarding this form should be directed to the Division of Banking at (304) 558-2294.
